

# Reps Vote to 'Clean-up' Meeting List

Every month, the Intergroup office receives letters or emails like the following:

"The Sunday 7:00 PM meeting at St. Martin of Tours in Amityville no longer exists and hasn't in 3-4 years according to the pastor. Last night two little old ladies came up to my car as I was waiting for 7:30 PM mass. I had a meeting list and I helped them as best as I could. What if it was a newcomer in dire straits? I myself went looking for that meeting a couple of months ago and thankfully I knew where else to find a meeting .... isn't it important that we keep the meeting lists up to date, both printed and on-line?"

There are roughly 360 groups listed in the Suffolk County Meeting list. SIA is in contact (at least occasionally) with about 180 of these, as to the rest, they may or may not still be meeting, but we're not sure. In the past, we have asked reps from neighboring groups to deliver postage-paid post cards to these "silent" groups, to be returned to the office to confirm their meeting schedule; we have asked members of other groups to check up on groups in their neighborhoods and report back to us on their continuing existence. We have never gotten a response from more than a dozen groups as a result of any of these efforts.

At the October Intergroup meeting, the group reps decided to take a more serious step in our efforts to keep the meeting list accurate. All the groups in Suffolk County have one year to contact Intergroup to confirm their existence and the accuracy of their schedule as published in the meeting list. Any group

## **DO YOU HAVE SERVICE EXPERIENCE?**

The Bulletin Would like to publish your first person story of what service work has meant to your sobriety. Tell us (and newcomers) how carrying the message through sponsorship, being a Trusted Servant of your Group, or working with Intergroup or General Service has enhanced your personal recovery.

### **WOULD YOU LIKE TO SEE YOUR ARTICLE HERE?**

The Bulletin would love nothing more than to print your article, message, group announcement or experience, strength and hope! So please mail it, fax it, or call it in to your SIA Office no later than the 2nd Tuesday of the month.

Or, make our lives easier and save us a lot of typing by submitting your article by email to [bulletin@suffolkny-aa.org](mailto:bulletin@suffolkny-aa.org)

## **'We're IT' of Islip Terrace**

**Second in a Series of Articles about the History of AA in Suffolk County**

In February of 1999, Bob R. of the Hauppauge Group and Linda S. of Terryville were looking for a Saturday afternoon meeting and came across a listing for a meeting called Pathfinders in Islip Terrace. The meeting was listed for 1:00 and off they went to check it out. They arrived about 10 minutes early and found an almost empty parking lot. As 1:00 came and went, no cars showed up, so they decided to investigate.

They walked into the Mercy Haven Agency on Connetquot Ave., the address listed for the meeting. They met a woman who identified herself as the director, who told them that there was no meeting at this address and that she had no idea who had listed it. The director continued to say that people showed up all the time looking for the meeting and added that the agency would love to host an AA meeting. Bob and Linda thanked her and said they would pass this information on to Suffolk Intergroup. They never did pass that information on. Over the course of the weekend, they decided to start a meeting themselves. They recruited Chris O. also of Hauppauge and set up some conditions: ~~the meeting would be a closed discussion meeting and the starting time was 4:00 in the afternoon, a time which did not conflict with any other existing meetings.~~ The Director agreed and the first meeting was on April 3, 1999.

The name "WE'RE IT" comes from two sources: when Bob detoxed in 1984 at Freeport Hospital, he had his version of a spiritual awakening. His moment of truth came as he observed people from A.A. come in to lead their

# Notes from the Groups

The Intergroup Office has been informed by a member of the Babylon Off Main Group that the church where they meet experienced severe flooding during last month's heavy rains and that the damage will not be repaired until late December or early January. As a result, the AA meetings usually held there are being cancelled by the church. The following meetings are affected:

Babylon Off Main - Wednesday, 8:00 PM meeting

Babylon Off Main - Saturday, 2:00 PM meeting

Babylon Bridge to Sobriety- Tuesday, 7:00 AM meeting

Babylon Big Book - Tuesday, 7:30 PM meeting

We have confirmed this information with the secretary of Christ Episcopal Church in Babylon. If the concerned groups are moving their meetings elsewhere, please call the SIA office with the information and we will distribute it in the Bulletin and Meeting List for you.

# Thanks!!!

Kim Y., Intergroups indefatigable, one-woman Literature Committee, tells us we owe the Groups a message of thanks for their increasing support of her efforts. Literature sales at the office are up to between \$1000 and \$1500 a month. More important than the money (SIA does not put a mark-up on literature), is the increase in the number of people who are visiting the office and becoming more familiar with SIA and what we do.

## Thirty Years of Sharing

*The Thirtieth Annual Suffolk County Share-a-Thon was a great success. Over 600 people attended more than 30 AA workshops and many Alanon and Alateen workshops. Committee, Archives and Literature displays were presented. A hot lunch was enjoyed by more than 350 people. See the complete report in next month's Bulletin.*

## Sponsorship Workshop

Many people believe that the lack of interest in service work and other problems that are prevalent in AA today are the result of a failure of sponsorship. We at Intergroup are acting on this suggestion.

On Thursday, December 8th, at 7:00 PM the Third Legacy Committee will be holding the first in a series of workshops on Sponsorship. The workshop will be held at the Intergroup office in Patchogue and will be moved to a larger venue if attendance requires. For further information contact Ed W. or Liz T. at the Intergroup office.

## "We're IT..." (continued from page 2)

meetings and he saw something in their eyes that he wanted and called "it" So "WE'RE IT" honors that experience and not coincidentally is the initials for the town the meeting is in: Islip Terrace.

WE'RE IT was designed to be an emergency meeting for people in need of a place to soak up recovery on a Saturday afternoon. In that respect, it has succeeded. Week after week a different collection of people show up. Invariably someone comments about needing a meeting and seeing WE'RE IT listed in the meeting list. Usually that person doesn't return---or does return next time another Saturday type crisis appears. They had a place to go for that crisis that might have been going on in their lives. A local sober house has also provided many attendees over the years.

After a few months, the time was changed to 3:30 and has remained so since. In fact, it's the only 3:30 meeting in Suffolk County. It runs for 1 hour fifteen minutes without a break. IT prides itself on offering variety to those who attend. A different speaker each week and over the six plus years something like 330 different speakers have shown up. This has allowed those attending to sample a wide range of recovery experiences.

WE'RE IT - 859 Connetquot Ave., Islip Terrace: Saturday afternoon at 3:30

*Does anyone remember a meeting called Pathfinders in Islip Terrace? Please contact the Archives. Our ongoing project to write the history of Alcoholics Anonymous in Suffolk County continues. If you can provide background information on any meeting it would help this important work.*

## Cleaning the Meeting List (continued from page 1)

that fails to contact Intergroup before next November will be removed from the meeting list. A group may be returned to the meeting list simply by contacting SIA and verifying the group's information any time before the next meeting list is printed. It is important to note: the reps **did not** vote to require any monetary support from a group; **did not** vote to require any level of participation in Intergroup or Twelfth Step activities; **did not** set any requirement on the groups, **except** that they keep their information accurate for the sake of the newcomer who, the reps felt, might be lost if he or she is directed to a non-existent group.

The groups are being given a year to comply with the decision of the Group reps, although, it is certainly hoped that they won't wait that long to confirm their information. The implementation of the decision was left to the discretion of the SIA officers. The Corresponding Secretary currently maintains a database of groups which have submitted group information forms. We will be expanding this to include a folder for each group listed in the meeting list. Anytime a group contacts Intergroup, whether to make a donation, to buy books, or what-have-you, a notation will be made in the database that we have been contacted by that group. We will be encouraging groups to leave us a contact name and phone, so we can call them before deleting them from the list if we haven't heard from them, but no group will be required to leave a number. To be sure that all groups have every opportunity to be made aware of this decision, it will be printed on the front of the meeting list for the coming year. Notices will also appear in the Bulletin and in mailings to group secretaries.

# Secretary Please Read at Business Meeting

To All Groups:

At the October meeting of Intergroup, the reps voted to adopt the following motion:

"In the coming year, between now and November 2006, each group listed in the meeting list must contact Intergroup to confirm their existence and meeting schedule. Any group that does not do so will be eliminated from the meeting list effective November 2006. Any Group so eliminated can be reinstated simply by contacting Intergroup; the group will then be included in the next regularly published meeting list. In each year thereafter, each group must contact Intergroup at least once or be eliminated from the meeting list."

The Group Reps, in taking this action, were motivated by a growing concern that the Suffolk County meeting list is inaccurate, and that we are likely to be directing newcomers and first timers to groups that don't exist or have changed their meeting times or locations. We receive at least one or two reports each month that someone has gone to a meeting and found that it wasn't there (and, in some cases, hadn't been meeting for years.) Of the roughly 370 groups that are listed in the meeting list, we have contact information for only about 180: that leaves a lot of room for error. Over the past few years, Intergroup has tried several different approaches to get groups to confirm their meeting data regularly. We have sent prepaid postcards. We have sent informational packages out with group reps from neighboring groups. We have put notices in the Bulletin. We have never gotten a response from more than 10 to 12 groups. The reps have decided that a stronger inducement to cooperation is needed.

The implementation of the reps decision has been left to the officers of Intergroup. No one at Intergroup really wants to take any groups off the meeting list, so we are trying to make this as easy as possible:

If your group is already registered with Intergroup, you don't need to do anything. A registered group is one for which Intergroup has contact information. Generally, we get this when your group fills out the group officer information form after your group elections. If you are not sure if your group is registered, you can contact Intergroup's Corresponding Secretary and ask. Generally, if you got this notice in the mail, you're registered.

The reps have specifically stated that a group does not have to register with Intergroup in order to be in the meeting list. We are asking for only the absolute minimum cooperation that we need from you. So, if you make a donation to Intergroup, add a note to the envelope that confirms that your group still meets and when. Same thing if you stop by the office and pick up books or meeting lists – just leave a note. Or call the office and leave your confirmation with the office volunteer. For your convenience, we'll be printing a form each month in the Bulletin: mail it. Any means that you use to contact us is fine, but you need to tell us you are confirming your group's information. We are going to ask for a phone number where the Meeting List Chairperson can reach someone from your group to confirm your information, but we ask that of any one who contacts us about group listings. We don't want someone who is angry at your group to call up and tell us it's disbanded. We will also ask if you have a mailing address where you'd like us to send copies of the Bulletin and so on. The reps have said that your group need not give us this information, so feel free to say, "No." We are not trying to force your group to be active in Intergroup, but we want to offer you the option. You have until October 15<sup>th</sup>, 2006 to contact us.

Thank you for your help in better serving the newcomer,

Brian C.  
Chairperson, Suffolk Intergroup
